

Novalash Eyelash Extension Consent

1. I acknowledge that the recommended products to use are for eyelash extensions only.
2. I understand that I should not get my NovaLash Eyelash Extensions wet within the first 12 hours after application. Thereafter I should avoid any contact with high pressure water and steam.
3. I understand that there are many variables, including technician expertise, hair growth cycle, use of cosmetics and skin care products, and the overall care given, that will influence how long my NovaLash Eyelash Extensions remain in place.
4. I acknowledge that I should not rub my eyes or pull on my lashes after NovaLash Eyelash Extensions have been applied. And that the over all after care has a high influence on how long my lashes will last, so they should be treated as "silk". My lashes should not be brushed per say but more of a light wisk.
5. I understand that if eyelash extensions are not applied properly by a certified eyelash extensionist, there is risk of eye damage and harm to my vision. Kingwood Skin Essentials only uses a certified eyelash extentionist as well as an advanced certified practioner.
6. I have been advised that using mascara on a regular basis can shorten the length of time my extensions remain in place. I have also been advised not to use waterproof mascara on my NovaLash Eyelash Extensions, or any other mascara except mascara for eyelash extensions only, which has been recommended by Kingwood Skin Essentials. I also should not use any facial products that contain any form of acid as it may result in loss of eyelashes earlier that expected.
7. I understand that touch-up appointments will be necessary after the application, and that there will be additional fees depending on the time frame s follows:

Within 7 days- \$45 fee
Within 14 days- \$ 60 fee
Within 21-28 days- \$75 fee
Within 28-35 days- \$125 fee
Anything between 4-6 weeks will be considered an extended refill with a charge of \$125.
A refill after 6 weeks of application is considered a new set at \$200.
8. I have read and discussed the above information with my Certified Eyelash Extensionist.
